

IARC Monographs on the Evaluation of Carcinogenic Risks to Humans
VOLUME 100, MEETING F: CHEMICAL AGENTS AND RELATED OCCUPATIONS
Lyon, France: 20-27 October 2009

PRELIMINARY LIST OF PARTICIPANTS

IARC requests that you do not contact or lobby meeting participants, send them written materials, or offer favours that could appear to be linked to their participation. (You may send pertinent written materials to IARC.) IARC will ask participants to report all such contacts and will publicly reveal any attempt to influence the meeting. Thank you for your cooperation.

Neela Guha, *IARC Monographs* programme
Zdenko Herceg, Epigenetics group
Ann Olsson, Lifestyle and cancer group
Béatrice Secretan, *IARC Monographs* programme
Kurt Straif, *IARC Monographs* programme

NOTE REGARDING CONFLICTS OF INTERESTS: Each participant submitted WHO's Declaration of Interests, which covers employment and consulting activities, individual and institutional research support, and other financial interests. Participants identified as Invited Specialists will not serve as meeting chair or subgroup chair, draft text that pertains to the description or interpretation of cancer data, or participate in the evaluations. The Declarations will be updated and reviewed again at the opening of the meeting.
